

That's it for 2011...bring on 2012!

Swim up to 300m...

...cycle up to 12km...

...and run or walk up to 5km.

Hi,

It's the end of a fantastic 2011 season!

As the days get shorter and the temperatures get lower, it's time to say goodbye to a successful and fun-filled 2011 TriWoman season. We've travelled far and wide across the country to meet you and we've been lucky enough to have many of you accompany us to 2, 3, 4, and even 10 great venues over the summer. Thanks to all of you for making the events so fun to run and for creating such a positive atmosphere at each and every one.

Competition: Which was your favourite event in 2011?

Loved the round the lake run/walk at Rotorua? How about the refreshing lake swim in Christchurch? Tell us which event was your favourite of the season and why on our [facebook](#) page before noon next Friday and be in to win a Berlei sports bra. Thanks [Berlei!](#)

The walk/run around the Blue Lake: highlight of the season?

We're on Facebook!

Even in the off-season, the TriWoman Facebook page will continue to be a great place to ask questions and share experiences with other women who have similar interests. [Why not 'like' us now?](#)

Keep up the good work and we'll be in touch soon with information on next season!
